GUESS WHO

You know I think the grass is taller than the rider of this motorcycle. But don't let that fool you, this fellow grew up to be a hardy individual capable of holding his own, even when hit from behind.

I can't believe that no one guessed that last month's Guess Who was the McClarys
They haven't changed a bit.

The Antique Ride of the Ye Olde Car club

not to be confused with the Midnight ride of Paul Revere

One dark and stormy night..... No! That is a different story this one is about a bunch of fun loving people getting together to tour antique stores in the Tri-Cities under the tutelage of none other than Fred Fraser. It all happened on a sunny Saturday morning in March. Fred had quite a full schedule for us that day. Starting at 10 am at the Cable Bridge Antique Mall. Then on to the Old Roxy Theater Antique Store located kitty corner (that is Fred's word, not mine) from the front entrance of Washington Hardware. From there to the Antique Furniture and Refinishing Center on Benton St. Next a casual drive through Columbia Park to the the Richland "Y" where we visited Carol's Antiques. Now off to Russ and Jane Armstrong's to see their collection of kerosene Lamps. By now we are hungry and most of the men are tired of shopping, so we travel to the Sundance Grill For Lunch. Next on the agenda is the Uptown Shopping Center to visit the Three antique stores there. They also have an antique book store. The next and last stop will be at the Baum's Candy store. Fred is no dummy, he made the candy store stop the last stop so every one would stay for the complete tour. Fred puts on a great tour doesn't he, remember the train ride? If you didn't go on that one you missed another great "Fraser Tour".

Thanks Fred!!!

Broadmoor Car Show

There was a car show at the Broadmoor Outlet mall on Sat. the 15th of March. Our club did not have much of a presence there, however the presence we did have was great. That presence took the form of an award winning 1955 Studebaker truck owned and cared for by little Wayne Williams. He tells us, in modesty, that he was the only one there so they had to give him the trophy. Don't you believe it, pictures don't lie.

THINGS TO COME

Although things were a little slow in February , that doesn't mean it will be slow the rest of the year. In fact, if every thing that is planned comes to fruition, we will be very busy the rest of the year.

- Denny Kehl is working on a garage tour to Walla Walla sometime in? I don't know when. .
- Dennis & Karla Jackson are Planning an over nighter to Leavenworth in late April . We will most likely combine it with Bob Rupp's trip to Roslyn. More details will be mailed to you along with a registration form.
- Of course we will have our swap meet the first week in May.
- The Hassie Club and a club from Lewistown are having a garage tour to Vern & Martha's on the 4th of July. We are invited. Lunch will be served.
- Bob Rupp is trying to put together an overnight trip to Cle Elem for a car show in early August.
- We also need to get together with John Nelson for the second half of his talk on the Brigantine Yankee.
- We need some help with some suggestions of things you would like the club to do. Please call Martha @ 582-7530 or Dennis @ 547-0916
